**Fit for Job and Language:
Your Path to Success!**

**Measure Combination for People
with Limited German Knowledge**

**Learn German + Gain Work Experience
Build Networks + Find a Job**

CONTENTS

Do you have a refugee or migration background and have already attended an integration course but didn't quite reach language level A2?

Or do you still feel uncertain?

Then our program is just right for you!

We want to make it easier for you to find a permanent job and give you long-term security.

FOR THIS, WE OFFER YOU:

- **Career-Oriented Support**
German, Mathematics, and IT
- **German for the Job:**
Improve your German skills.
- **German through practice:**
Learn through practical tasks.
- **Practical Learning:**
Gain knowledge in our workshops.
- **Meet Employers:**
Meet and speak with employers.

CAREER GOALS

We offer you courses and training in these professions:

- Warehouse and logistics
- Hotel and gastronomy (kitchen assistant)
- Non-medical health and personal care
- Manufacturing, craft and technology
- Cleaning and housekeeping

All tasks are designed so that you can apply what you've learned immediately on the job. Other professions are also possible – just talk to your learning coach.

In our course, you will improve your German for various professions, making it easier to find a job afterwards.

Career orientation & application training

CAREER ORIENTATION & GERMAN

In our course, you will improve your German. You will learn how to speak German in different professions, making it easier to find a job afterwards.

COMPANY EXPLORATIONS

You will regularly visit companies with current staffing needs. You will do internships and gain insights into professions and the working methods of the companies.

APPLICATION TRAINING

You will learn how current application documents look and engage with alternative formats (e.g., short applications, flyers). You will develop a strategy to present yourself well.

JOB SEARCH

You will use digital media for job searching and for your applications.

IT BASICS FOR APPLICATIONS

You will learn how to create, format, save, and print documents, as well as how to write online applications.

ACTIVE APPLICATION & SELF-RESEARCH

You will search for open positions and create individual application documents.

We prepare you individually for job interviews.
